Minutes of emergency Committee meeting of Croquet Section
Tuesday June 12th. 10 am at G. Cunningham's house.

Present G. Cunningham, V. Collier. B. Moores, G. Hewitt, T. Ward, N. Kirtley.

Apologies from. E. Kitchener.

1. Meeting called to discuss the implications of the announcement in the Sidmouth Herald on Sat. June 9th that "The Sidmouth Tennis Club had been told that they could not use the new hard courts in hot weather and are now trying to negotiate with the Croquet Section for land to site grass courts. If the weather becomes too hot it would mean that the club members would have only one grass court in operation unless one of the croquet lawns could be converted for tennis,

2. Tom Ward said that he had been approached by telephone, in great consternation by Brian Fitzgerald that the lawns at present numbered 4 & 5 would be required immediately by the Tennis Section, but that the matter would be discussed at the Club Managements Committee meeting on Friday June 15th, at which he, Tom Ward, would be present.

3. The Croquet Committee resolved that Tom Ward should:-

A) express the consternation of all croquet members that after being promised the use of the lawns 4 and 5 for the whole season, additional members had been enrolled and many tournaments had been arranged, dependent on the use of the lawn for the whole season. Despite the strong feeling, it was acknowledged that all sections had a duty to the interests of the club, which had the ultimate right to allocate lawns as they considered reasonable.

B) Suggest that the lawn be allocated to the Tennis Section for the month of August only so that all croquet tournaments could be played as planned.

C) Failing the acceptance of August only then July and August be allocated to the Tennis Section and September to Croquet.

If despite these recommendations the lawn is allocated to the Tennis Section for the remainder of the season, then the Committee would reluctantly have to take the following actions:

1. Cancel the proposed 2 ball tournament.
2. Allocate the morning session 10am to 1 pm on No. 1 Lawn each Wednesday morning to Golf Croquet to alleviate the congestion on Nos. 2 and 3.
3. Keep under observation, the attendance at the 2 ball game on Friday afternoons.

The meeting closed at 11.05 am.

Minutes of Croquet Committee meeting, Wednesday July 18/8
at the Pavilion

Present. G. Cunningham, B. Moores, V. Collier, G. Hewitt, N. Kirtley. E. Kitchener.
Apologies from T. Ward,

1. The meeting opened with a prolonged discussion on the manner in which the 4th croquet lawn had reverted to tennis. A letter had been received from the management committee pointing out that the lawn had been granted in February, with the proviso that it could revert to tennis in case of extreme urgency. The general feeling was that the matter had not been well handled by the main committee, especially in view of the premature disclosure in the Sidmouth Herald.
2. The minutes of the two previous meetings were then read and approved.
3. Agreed that Valerie Collier & Eric Kitchener would arrange and run the 2 ball tournament on August 20th and 21st and also make the team arrangements for the return Association match with Budleigh on Sept. 18th.
4. A discussion on the times of Tuesday afternoon Club sessions resulted in a decision to leave the starting time at 1 pm.
5. The Secretary recorded that the main committee had no objection to a shelter on No.-3. lawn, but that the structure would have to be approved by the Trustees, and no club funds would be available. The previous offer of financial help from G. Cunningham was withdrawn and it was decided to take no further action.
6. The Secretary reported on a meeting on the proposed South West Croquet Federation, and the two leagues for Association matches in 1985. Agreed to refer the matter to Club members at the A.G.M. to choose 2 representatives to attend a formation meeting in November.
7. The date of the A.G.M. was fixed for Tuesday October 23rd at 2.30 pm. in the Pavilion.

'G' Cunningham thanked members for turning up so well for golf croquet days and said it was a good game for social activity.

Gwen Hewitt reported entries of 24 singles and 14 pairs for the golf croquet tournaments and thanked "G" Cunningham and John Holt for their work in organisation. The matches against Budleigh resulted in one draw and one lost and that against Exeter in a win.

Betty Moores reported on the successful military Whist Drives, run by Alan Reid during the winter. Also a happy New Year Party and an enjoyable Dinner Dance at the Westcliff Hotel in March. Two coffee mornings and a croquet gala had been held for general club fund raising.

Noel Kirtley gave the treasurer's report showing that the Section income was £476 and expenditure £101. Allowing for balances in hand, a total of £355 had been handed to the Club Treasurer.

Ballot for Committee. Prior to the ballot papers being handed out by the tellers, Noel Kirtley & Bob Eastaugh, a proposal was made by G. Cunningham that postal votes be allowed, following suggestions by some members unable to attend the A.G.M. Reg Peirce and Philip Dwerryhouse said that we should follow the customs of the Main Club which did not allow such votes and the motion was withdrawn.

Alfred Verity asked if the Chairman or Secretary would clarify the position- regarding members standing down after 3 years on the Committee. One or two members commented on the matter, saying that it had been left to individual members, and Robert

Case recalled that the wording had been that members should ordinarily not stand for more than 5 consecutive years.

The Hon. Sec. reported on 2 meetings at Cheltenham and Budleigh exploring the possibility of setting a South West federation of Croquet Clubs. An inaugural meeting would take place at Tracy Park nr Bath on Nov. 4th. and the present Committee had agreed in principle to our taking part. A league of matches between clubs south of Bristol was proposed under the Federation and we could take part if we wished. After some discussion it was agreed to give the new Committee a mandate to proceed with membership if it thought fit. Representatives to the meeting were agreed as Iris Dwerryhouse and Fred Moores and two observers, Philip Dwerryhouse and John Hatherley would also attend.

Tea was then served.

A.O.B. Katherine Holroyde asked if we would have metal corner flags, as used at Budleigh, as these did not wear out and the lawn numbers could be painted on them. Fred Moores pointed out the dangers to players stepping back on to sharp edges.

Elsie Corbett thought that stress should be laid on the etiquette relating to double banking games. Members said that the new laws book contained a section on this, and a notice was also displayed in the mallet room.

John Hatherley raised the question of whether it was right to allow practice on a lawn on which a game was in progress. He could foresee some difficulties about such double banking. Jo Stone said that she had done this several times and provided one paid sufficient attention to the game in progress, and allowed it preference, there should be no problem.

Muriel Rose thanked senior members who had given much help to newcomers with stroke play.

The Chairman then introduced Councillor Bernard Clark who gave an amusing talk on prize giving in general, with references to playing the game as well as playing to win. He then presented prizes as follows:-

Belmont Cup or Handicap Singles	John Hatherley
Fermor Bowl - Ladies Handicap Singles	Joan Goode
Colclough & Sidmouth Cups for Handicap Doubles	Joan Goode and Clifford Taylor
Devonia Cup - High Bisque Handicap Singles	Clifford Taylor
Longworth Cup Most Improved player -	Len Sage
Cunningham Salvors - Golf Croquet singles	David Rawkins
Doubles	Marion Holt and May Stephenson.
Corbett Spoons - 2 Ball Game Low Bisque	John Toye
High Bisque	Eric Kitchener

The result of the ballot for new committee members was then announced: The following were elected:-

Michael Davies, Valerie Collier, Iris Dwerryhouse, Mary Hardman, John Hatherley, Gwen Hewitt and Tom Ward. The meeting closed with a vote of thanks to the retiring committee by Robert Case.

Hon. Sec's Report to A.G.M. Croquet Sect. October 23rd 1984

Madam Chairman, Mr. Clark and fellow members.

We have enjoyed probably the best summer weather for many years, enabling play to take place almost every day from April to September. Although at times it was almost too hot and the water restrictions had an adverse effect on the lawns, I am sure that you will all have had as many games as you wished this year.

We have a playing membership of 85 and a waiting list of 10 for next year.

The season has not been without its trials and tribulations. In May, the Committee was unfortunate to lose the services of its elected Chairman, Aline Davis, through illness, but we are now glad to see her restored to reasonable health.

Our Vice Chairman, 'G', has acted as chairman since then, and the Committee has done its best to fulfil the task given to it last October - that is - to run the affairs of the Section.

Regarding Play - we congratulate Michael Davis on winning the Walters Long Trophy at the Budleigh May Tournament, thus following successful Sidmouth players in past years.

John Toye has had a successful year, winning the Daniels Cup at Cheltenham in July and three trophies at the Budleigh Club, including the Club Championship.

Our first venture into the Longman Cup, a national competition resulted in a narrow win for Worcester by 3 games to 2.

We have 10 members who have played in various outside tournaments this year, all - putting up good performances, and the experience has certainly helped the standard of play within the Club.

Our congratulations to Iris Derryhouse on being appointed an Official Handicapper by the Croquet Association Headquarters at Hurlingham.

The game of croquet required not only skilful ball play but also the ability to plan moves ahead, thus demanding a higher degree of mental & physical co-ordination than many games. There is strong evidence that it is increasing in popularity throughout the country with many young people showing keen interest.

There are proposals from the Croquet Association to further encourage new clubs and extend membership of existing ones, and it is expected that these efforts will be backed by the Sports Council.

Finally, I would like to thank, not only the members of the retiring committee for their work, but also those Club members who have helped so willingly with various fund-raising efforts, social events and dealing with equipment.

CROQUET SECTION A.G.M. 23 October 1984

EQUIPMENT AND GROUND REPORT:

My predecessor, Reg Peirce with the help of John Toye had seen to it that we started the season with a good stock of mallets. £64.52 had been invested in replacing damaged heads on nine mallets with polystyrene. This year we identified the club mallets with orange tape on the shafts and it is intended that these should be available for new members to borrow while they are gaining experience. Much as we applaud the enthusiasm of those who get in extra practise in their gardens at home, we do not really want them to take our mallets for this purpose. If any member has a club mallet at home, I would ask them to return it this week so that we can check our inventory.

During the 1983 season there had been a serious problem with the balls as Jaques has been having production difficulties. Fortunately, these were resolved in time for the 1984

season and we purchased two new sets for match play and managed to get some cracked ones replaced under guarantee. As these cost nearly £70 per set it was decided to invest in two sets from another manufacturer at £44 a set. Although these comply with all the regulations, the Association players find they react in strange ways in a croquet stroke. (I find this happens to me in any case) Fortunately, this problem does not arise for Golf Croquet players. One or two of the older balls have developed cracks and will have to be replaced but none of the new ones show any sign of deterioration.

It has been a long hot dry summer during which the groundsman has had a perfect alibi for not watering the lawns. We were able to start playing at the beginning of April and continue almost without a break. As the season progressed your comments on the condition of the lawns increased both in number and technical merit so it may interest you to know that at least one visitor from Budleigh wrote to say that our lawns were "much improved". Which only goes to prove something or other. We regret having to close first one and now three lawns before the end of October but we have to give the groundsman a chance to get them into condition for 1985.

The club as a whole has its financial problems and it seems certain that our subscriptions will have to be increased but I think it will probably continue to represent very good value for money.

Finally, we could do with some more corner flags. Perhaps one or two ladies would volunteer to buy the material and make them up. The treasurer will pay the bill for the materials and we will accept their labour of love with grateful thanks.
