The SW Fed is actively seeking a new secretary.

In hand.

#### **Lawn Usage**

IS provided a written analysis of booking sheets for 2014 and talked through the outcomes. In total 39.1% of the lawn time available is not booked. The committee appreciated the analysis which will be useful if criticism is received about lawn availability. It is not expected that an analysis needs to be redone for several years.

IS was thanked for this piece of work.

Internal Tournament Organiser

Golf Croquet Representative

Open Tournament Secretary

Treasurer

were considered. **SD** to update the master copy and agenda a further 4 roles for the next meeting.

## SIDMOUTH CRICKET, TENNIS, and CROQUET CLUB

### CROQUET SECTION

#### **Minutes of the Committee Meeting held on 5<sup>th</sup> February 2015**

**Present:** Peter Nelson, Sue Dent, David Butler, Roger Hendy, Helen Pryor, Ian Simpson, Colin Walls.

**Apologies for Absence:** Pamela Bowra, Marian Harris, Andrew Thomas.

**Minutes of the last meeting** held on 6<sup>th</sup> January 2015 were approved and signed by the Chairman.

#### **Matters Arising**

##### SW Fed AGM minutes/Coaching

SD had contacted Roger Buckley who has offered to arrange coaching for Sidmouth players if we could supply details of what was wanted and which handicaps it would be for. Association and Golf Croquet coaching to be requested. **SD** to ask Richard Wood for suggestions for AC.

##### Club Fixtures Book

**SD** to ensure that John Goodwin is aware that the croquet details can be picked up from the website.

##### Owen Cup Handicaps

Following further discussion, it is likely that the CA system, adapted for a local rule may be used with only the high handicap player in each pair being able to use the bisques. **HP** to give this further consideration.

#### **The Honours Boards**

Some anomalies with the honours boards have been noticed. In discussion with David Temple, it has been agreed that the gender irregularities will be corrected. At a later date consideration will be given to which tournaments should be recognised on the honours boards and whether the boards can show changes in a competition's format.

#### **New Members Issues**

Publicity. CW has publicity in hand. Flyers and articles to use SD's contact details rather than Rob Mitchell. **CW** to receive any articles and adverts for scrutiny and forwarding to the press. **CW** to send SD electronic and hard copies of the flyer to send to prospective members and possibly to drop in letter boxes of new buildings close to the lawns.

Taster Session Arrangements – Saturday 7<sup>th</sup> March. **MH** will arrange for coffees to be available from the hatch from 9.45am. **PN** to review last year's programme and update. **ALL** committee members asked to participate. Event to start off in the pavilion. The final talk and sign up may take place in and around hut 3 depending on the numbers attending and the weather.

Application Letter for Coaching Sessions. Letter drafted by RH. Essentially, as last year, we are offering 4 two hour lessons starting on 7<sup>th</sup> April. These will be on a Tuesday morning, 10.30-12.30 and a Wednesday afternoon 1.30-3.30; a top-up lesson to cover any lessons missed will be on Thursday 30<sup>th</sup> April 1.30-3.30. A fee of £15 will be charged, fully refundable against the membership fee. On Wednesday 29<sup>th</sup> April the final lesson will overlap with the first AC club afternoon. **RH** to change contact details to SD. **RH** to contact coaches. **SD** to send copy of application letter with dates to DB for booking of lawn 2.

Books. IS has this in hand. These are issued when the coaching fee is paid.

Welcome Evening – Wednesday 6<sup>th</sup> May, 6.00-8.00pm. Since the croquet section booked this in the club's diary, Pam Sage has double booked the pavilion for the Friends Quiz night to start at 7pm. (This is not their normal evening but the Thursday conflicts with Gill's first evening meal). **SD** to contact Pam to ask her to move their event.

### **Online Lawn Booking**

CW demonstrated the system he has devised for a touch screen pad for lawn bookings. Before this can be operational Wi-Fi connection is needed in the pavilion and a 13 amp socket. Initially the electronic bookings would only be for lawn 1 – the manual booking sheets would have lawn 1 crossed through. Each member would need a 4 digit pin number. **DB** would have day to day responsibility for the system. If the system can be operational from the beginning of the season, **CW** may explain/demonstrate it at the Spring lunch. **SD** to include pin numbers with the documents which go out at that time.

### **Coaching Opportunities / Tournaments**

SD reported that she receives a large number of flyers with many attachments for tournaments and coaching at other clubs which probably are of little interest to most members. Agreed for **SD** to forward to DB and CW for uploading to the website.

### **Hut 3 Progress**

PN reported that all the interior has been lined and painted except the windows and doors; outside work is still required. Several volunteers have been assisting. IS requested that (following HP's information received from Neil Gamble that personal belongings brought to the club need to be covered by personal insurance policies) a notice be displayed that mallets left in the hut are at the owners' risk.

### **Roles and Responsibilities**

**SD** to issue a draft to committee members. **ALL** requested to check details of their own role.

### **CA Special General Meeting and vote**

The CA has notified us of proposals which will be voted on at a Special General Meeting on Saturday 28<sup>th</sup> March. CA members and clubs will be able to vote in advance by 18<sup>th</sup> March. **SD** to circulate details to the committee and agenda the item for our next meeting. Members will then need to advise PN on the club response.

### **Chairman's Matters**

Peter Nelson reported that:

- The GMC gave the tennis section permission to erect a banner on the days of children's coaching.

Rob has offered to continue as membership secretary unless the committee felt this was inappropriate. The committee accepted this offer with thanks and send their best wishes. **IS** offered to collect and deliver items to Rob when requested.

- a request for membership application has been received from Dave Mundy, an experienced low handicap player, who is moving to live at Ottery.

- Sidmouth players had received several mentions in the December issue of the Croquet Gazette.

**Lawn Availability**

As from this week all lawns except lawn 1 are available with lawn 2 laid out as half lawns. ### Chairman's Matters

At last weeks GMC:

- Wi-Fi was reported to be installed but the signal is poor (See CW's report below)

- Roger Mills requires assistance with the finances of the club if he is to continue as Treasurer beyond July. **PN** to pen a request to members as part of an e-mail to go out from Rob Mitchell.
- The Club's Bar Chairman/Events Coordinator post was vacant; **PN** has volunteered to fill that role.
- Rob Matthews requires assistance with the Chairman's Garden. **SD** to devise a notice for the mallet room and hut 3 asking for names to assist with various matters.

#### **Matters Arising**

##### Golf Refresher Session Feedback

The session was poorly attended. As with the Association Refresher, for 2016 we should reconsider whether to hold it. **SD** to note for consideration in September 2015.

##### Wi-Fi

##### Club Finance assistance

Myles Chance has volunteered for this role.

#### **Membership and Subscriptions**

The committee endorsed this proposal. A response is awaited.

A potential new member may join the club. **SD** to review the minutes and let PN know when new players are eligible for the half payment arrangement.

#### **Coaching**

##### Lead Club Coach

There has been an uptake of 11 players signing up for a 90 minute individual coaching session with Mike Taylor. Several of these have already taken place.

##### Beginners Coaching

CW suggested that participants need to be encouraged to take up the game rather than assuming they are committed and require technical skills coaching. More participation was suggested. Induction should also include familiarity with the mallet room and club systems. **CW** offered to lead the beginners' induction in 2016.

##### Ongoing Coaching/Mentoring

At the New Members Welcome Evening a mentor/buddy was offered. Ken Prosser, a golf croquet player, has requested a mentor. **IS** has agreed to this. **SD** to provide both with contact details.

### **Association Club Sessions/Roll Up**

Suggestions have been received from players who were members elsewhere that a Roll-Up Association Singles session is very worthwhile, enabling players to play others who they would not necessarily contact for a game. This was agreed on a trial basis for Friday afternoons at 1.00pm. **SD** to facilitate the first session, send an e-mail to members, book lawns manually and electronically and inform DB for the website lawn information.

### **Forthcoming events**

#### **Dorothy Toye – Saturday 16<sup>th</sup>/Sunday 17<sup>th</sup> May**

**Roger Hendy** reported on the applications for CA tournaments. **SD** to clarify with the CA the effective date for home club members being allowed late tournament entry if not a CA member.

## SIDMOUTH CRICKET, TENNIS, and CROQUET CLUB

### CROQUET SECTION

#### **Minutes of the Committee Meeting held on 11th June 2015**

**Present:** Peter Nelson, Sue Dent, David Butler, Marian Harris, Roger Hendy, Ian Simpson, Helen Pryor, Andrew Thomas, Colin Walls.

**Apology for Absence:** Pam Bowra.

**Minutes of the last meeting** held on 11<sup>th</sup> May 2015 were approved and signed by the Chairman.

#### **Matters Arising**

##### Lawn Availability

As Grounds representative on the committee **AT** will be the link with the Groundsman, Colin Whitehall. **SD** to ensure this is stated in the Roles and Responsibilities document.

##### Lawn Booking

As tournaments often go on to 5pm, **DB** is requested to draw a line representing 5pm on the booking sheets. No supporting notice was considered necessary.

##### Wi-Fi

PN reported that the GMC considers the signal in the pavilion useless and will be progressing the fibre-optics option.

##### Club Assistant Treasurer

Myles Chance has now started in this role.

##### Association Roll-Up Sessions

There has been a good uptake to these sessions. **SD** was asked to book further Friday afternoons and publicise this arrangement.

##### Visitors Fees

**SD** to e-mail members with a reminder of visitors' fees.

##### CA Midsummer Tournament

The event was successful. The Challenge Cup trophy won by Simon Carlsson was left in the keeping of the club and will be retained by John Dixon. **SD** to note this on the Trophy signature list.

##### Membership Secretary

**DB** offered to take on this role for 2016.

##### Internal Tournament Secretary

Philip Harris has offered to take on this committee role for 2016.

##### The Canton Trophy/Internal Tournaments

The CA requirement that for 2015 onwards all tournament games are worth +/- 10 points on the handicap card is considered to adversely impact on some of our internal tournaments. The Canton Tournament for example has a wide handicap entry range. Low handicap players who enter would be prepared to risk 5 points but may not want to risk 10 points /game. In discussion with the Internal Tournament Secretary, it had been agreed for 2015 that this tournament would generate only +/- 5 points on the handicap card. **SD** to agenda a discussion on Internal Tournaments for the next meeting to include consideration of the Dorothy Toye and Canton having narrower handicap entry requirements. **SD** to invite Phillip

Harris to attend the next committee meeting for that discussion. [NB it is understood that Budleigh do not follow CA guidance; their doubles generate +/- 5 points].

### Beginners Tournament – Monday 10<sup>th</sup> August

John Dixon and Sue Rogers have agreed to manage this event. **MH** to request Gill to provide a cream tea. **SD** to confirm numbers nearer the time. **SD** to bring spare trophies to the next committee for consideration.

### CA Late Tournament Entries for the club's own members

Steve Mowbray of the CA had responded to SD's enquiry stating that "club members are not automatically members of the Croquet Association at present and will need to become or retain individual membership to play in tournaments".

### Bookshelf for Hut 3

This is more complicated than anticipated as further racket space is required. **AT** to progress.

### Coffee Morning

There was positive spin-off from the 2014 beginners' coffee gathering which 7 new members attended; in consequence further participants have signed up for some tournaments, several friendly games were arranged, one racket has been sold and another is loaned out on trial.

### Key Safe for Hut 3 keys

Further consideration was given to the key safe which was considered too complicated for all members. The proposal will not be progressed.

### Membership and Subscriptions

Of the 20 who attended the 2015 beginners coaching sessions, 15 have signed up for full membership. Only 2 are playing Association. The Club Membership now totals 114.

Neil Gamble agreed to the reduced subscription of £95 for our new player in full time employment. This arrangement cannot be offered more widely and is requested to remain discreet.

A review of the minutes of 16<sup>th</sup> April 2013 identified that July 14<sup>th</sup> is when new members joining are eligible for the half payment arrangement. A potential new member (currently working abroad) may join us then. Philip Harris is his main point of contact.

Existing playing members who are medically unfit to play at the start of the season pay a non-playing subscription. When fit to play they pay £30 /month or any part of a month less the amount already paid. We are pleased that PB is now able to play and will benefit (slightly) from this arrangement. Liz Matthews has also been notified.

### Coaching

SD reminded the committee that we have not taken up the offer by Roger Buckley of the SW Fed re coaching. **RH** is meeting Mike Taylor and Philip Harris to progress coaching issues with them and will talk to Mike Kibble on coaching pod formats.

PN commented that if the club continues to suffer from the absence of players in the Association handicap range 10 to 20, Sidmouth will not be able to field an Intermediate team. To address this, some HH players will be identified to participate in specific coaching. **PN** and **RH** to take this forward.

### Open Tournaments

RH expressed concern at the number of cancellations for CA tournaments which generated additional work. Consideration is being given to a zero rebate if cancellation is within a

month of the tournament. **PN** and **RH** to look at the CA Fixtures book to see what other clubs specify and bring a view back to the next meeting.

### **Forthcoming events**

#### **Canton Trophy – Saturday 13<sup>th</sup> June**

8 entries. Nancy Temple is the manager.

#### **Wine and Shared Buffet - Monday 22<sup>nd</sup> June from 5pm**

Richard Thurlow is making all the arrangements. A crazy (obstacle) croquet course is planned.

#### **Corbett Spoons – Friday 26<sup>th</sup> June and Saturday 27<sup>th</sup> June**

HP is managing these tournaments. **HP** to contact SD if further entrants from the beginners are to be encouraged for the HH competition.

#### **Treasure Hunt – Wednesday 8<sup>th</sup> July from 6.30pm**

**SD** to contact the Laidlers on details and supply to MH for posters; the committee to be informed of arrangements.

#### **Pimms on the Lawns**

This traditional event which has lapsed in the last few years is a shared event with The Sidmouth (Snooker) Club which they have again requested. Of the dates offered Wednesday 19<sup>th</sup> August is clear in the programme. **PN** to confirm this date with Tony Dustan- Smith. **HP** to book lawns 2 and 3; **SD** to book lawn 1. **SD** to notify members. Tickets to be £8 (based on £5 for food and £3 for a drink).

#### **Croquet AGM – Wednesday 21<sup>st</sup> October**

PN apologises that a family holiday booked to include that date means that either a different Chairman for the evening will be needed or the date amended. Following discussion **CW** was prepared to Chair the meeting and the committee preferred the publicised date to be unaltered. PN suggested that Maureen Bess be invited to present the trophies.

### **Chairman's Matters**

PN reported that at the recent GMC meeting:

- The Club AGM will take place on Wednesday 1<sup>st</sup> July at 6.30.
- David Temple has obtained quotes for the prefabricated water tank and is progressing the issue.
- A defibrillator has been donated to the Club. Liz Peace (Tennis) is arranging for training will be provided. **SD** to coordinate with Liz and e-mail members to ascertain who would be interested in being trained.
- a GMC sub-committee has agreed to invest £60,000 in 'Peer to Peer Loans' which should give a 4-6% return.
- the Tennis section membership has recently been decimated.

### **Individual Committee Members' Reports**

**Marian Harris** reported that the provision of refreshments at Hut 3 is working well and has been appreciated. A hot water urn has been loaned by Peter Miller. Marian filled this and supplied tea, coffee, milk and biscuits for players to help themselves throughout the day. A donations tub is supplied for internal tournaments.

**Andrew Thomas** voiced concern about the need to move the hoops on lawns 3 and 4. PN stated he had permission to move hoops at his discretion.

**Roger Hendy** reported that:

- the High Bisquers Tournament – Saturday 25<sup>th</sup> July is well supported with 16 entrants.
- the CA B-Level Advanced Weekend – Thursday 13<sup>th</sup>—Saturday 15<sup>th</sup> August is fully subscribed.
- the CA C-Level Advanced Weekend – Friday 11<sup>th</sup>-Sunday 13<sup>th</sup> Sept has a dozen applicants and is likely to be viable.

**Colin Walls** reported that the Handicap Committee had recently met and want to round handicaps to the nearest 10. This was agreed. PN stated they have the right to manage handicaps as they saw fit. [This may now change given the local 5 point arrangement for shorter games].

**David Butler** reported that:

- the online booking system was working well and may be extended to cover lawn 2.
- the Sidmouth Herald is regularly printing croquet reports supplied (though wrongly credited).

**Sue Dent** reported that the 2015 Public Liability Insurance certificate had been received from the CA and had been passed to IS.

**Dates of the next meetings**

Wednesday 8<sup>th</sup> July 9.30 at Redleaf, Knowle Drive.

Monday 10<sup>th</sup> August 9.30 (provisional)

The keypad code will be issued to us at that time. The equipment will be accessible by any member of the public who would dial 999 to be told the keypad code.

##### **Coaching**

The subcommittee to report back to the next meeting.

#### **Committee Posts for 2016**

The following agreed to stand for the 2016 committee in similar roles to those already undertaken. PN, CW, SD, DB, PB, IS, AT. ### **Chairman's Matters**

PN reported:

- on the recent GMC AGM. Neil Gamble had not allowed PN to raise the issue of the inappropriate advertising hoardings alongside lawn 4 but the matter will be dealt with at the next GMC meeting on 28<sup>th</sup> July.
- that a quote for croquet section embroidered badges has been received of £162/100 badges. The committee agreed to this. MH offered to sell them for £2 50 each, 2 for £4.

**Present:** Peter Nelson, Sue Dent, Pam Bowra, Marian Harris, Roger Hendy, Ian Simpson, Helen Pryor, Andrew Thomas, Colin Walls.

**In Attendance:** Philip Harris

**Apology for Absence:** David Butler

**Minutes of the last meeting** held on 8<sup>th</sup> July 2015 were approved and signed by the Chairman.

#### **Matters Arising**

##### **Defibrillator Training**

The Defibrillator is now installed in a box on the outside of the Pavilion alongside lawn 1, accessed by a keypad. As 999 must be called the Emergency Service will tell you the keypad code at that time. **SD** to notify members of this arrangement by e-mail.

##### **Offer of a bench for the Lawns**

PN has been in contact with the family. Vera and Rowland's son will purchase the bench.

##### **Inappropriate Advertising Hoarding**

##### **Badges**

PN had sourced embroidered badges. It was agreed that the stock of 200 be held by MH and sold for £2 each.

##### **Lawn Sprinkler**

AT reported that the sprinkler is out of use; a replacement part has been ordered.

#### **Internal Tournaments – initial discussion**

The subcommittee of PH, CW and IS had met to discuss 2016 tournaments and presented their recommendations to the committee. The general premise of applying for a style of tournament rather than a trophy was agreed – depending on entry numbers, handicap groupings would then be decided. The subcommittee was thanked for their work and **PH** was asked to make some amendments to the proposals and bring them back to the next meeting.

##### **Membership numbers and mid-year subscriptions**

One new member has joined mid-year and one member re-joined as being now fit to play. The apparent anomalies in the fees for these two situations was considered and it was agreed that the existing policy should remain in place. The Croquet section now has 115 members.

### Chairman's Matters

PN reported on the recent GMC meeting:

- that to reduce problems of cricket balls coming onto the lawns, especially lawn 4, it is proposed that a fencing gate be installed and the fencing raised to the height of that alongside lawn 3. Planning permission will be required.
- that a quote has been received for investigating the apparent leak in the tank. **PN** considers the quote excessive and unsatisfactory and will talk about it further with Neil Gamble.

Thursday 1<sup>st</sup> October 9.30 am (provisional)

**MH** to put up posters with change of date and ticket information.

**SD** to circulate an e-mail to members and confirm availability of John Dixon.

**DB** to amend the website.

**SD** to recall trophies.

**SD** to put up in the mallet room formal AGM notices on items for the agenda/last year's minutes/ committee posts, by mid September and inform committee members so that their nominations can have a proposer and a seconder.

## **Forthcoming events**

### **CA C-Level Advanced Weekend - Friday 11<sup>th</sup>-Sunday 13<sup>th</sup> September**

Julie Horsley to manage this event. **PN** to supply trophy. **SD** to provide trophy signature sheet. Mike Taylor will act as ROT when available. Only 10 participants so lawn 1 not required. **DB** to release lawn 1 onto the booking system.

### **Cunningham Salver Golf Croquet Open Tournament - Thursday 17<sup>th</sup> Sept**

With this revised date additional entries have been received. **PB** to manage this event.

### **Finals Weekend – Friday 18<sup>th</sup>-Sunday 20<sup>th</sup> September**

**HP** will finalise the timetable based on availability of players. Richard Wood has a back injury and withdrawn from the semi-final of the Humphrey Hicks. Colin Walls therefore has a walk-over to the final. Richard hopes to be recovered in time for the final of the Belmont. If not, his place is taken by Peter Nelson whom he beat in the semi-final.

### **Budleigh Friendly – Tuesday 22<sup>nd</sup> September**

In hand. **PB** to manage.

### **Regular Club Sessions End – Wednesday 30<sup>th</sup> September**

This date decided as Colin Whitehall is likely to take lawns 3 and 4 out of use for the Autumn maintenance programme on October 1<sup>st</sup> (since confirmed). Lawns 1 and 2 will continue to be available for booking. **SD** to remind Gabby Macadam of this before the end of September.

## **Golf Handicap Committee**

John Coombes has asked to come off the committee. As he chairs this committee a replacement chair should be chosen from the remaining 2 members. **IS** has approached **DB** to be on the handicap committee and this was endorsed by the full committee. **DB** has accepted this position.

## **Expressions of Interest in joining the club**

Within the last 2 weeks **SD** has received 2 enquiries for (3) people new to the area who are interested in trying croquet. It had been suggested that we could give them a taster session in September. The committee preference was to respond positively and involve them in the 2016 taster session and coaching. **SD** to respond to them.

## **Coffee Morning for 2015 beginners**

**SD** offered to host a coffee morning to get feedback from this group on the 2015 coaching but mainly to find out what they want from 2016 in the way of skills coaching, club sessions and team participation. Julie Sorrell and Colin Walls to be invited. This was agreed. **SD** to arrange.

## **Internal Tournaments – revised proposals for consideration**

**PH** tabled a paper incorporating the amendments recommended at the last meeting. Each tournament was considered and agreement reached. **PH** to update the chart.

## **Golf Club Session format 2016**

In order to introduce a more competitive element to the club golf sessions it was suggested that the Friday late afternoon session be changed to a competitive roll-up for 13 point games using handicaps and extra turns. This was agreed. **PB** to mention this to Gabby Macadam. A manager would be needed at least for the first few sessions.

## **Beginning of Season Talk 2016**

A speaker is required. Roger Hendy has previously volunteered. This was welcomed. **MH** to ask **RH** and discuss possible dates.

### **Visiting Club Hire of our lawns**

SD was approached by a Barnet club member enquiring if a group of croquet players could hire our lawns for their own use, likely to be 1 lawn (possibly 2) for 1 session across 2 days early in the season. SD suggested a weekend as having more lawn availability. This was agreed in principle with any proposal to be brought back to the committee **SD** to check booking fees from previous minutes.

### **Donation of a Bench**

Further to previous discussions, Vera Henderson would prefer the committee to source a bench. AT provided web extracts of options; a 3-seater preferred. **PN** to progress this with Vera.

### **Chairman's Matters**

PN reported that the Pimms on the lawn event had prompted questions from Julie Clayden on the sale of alcohol. This is also relevant to our Wine and Shared Buffet event. Consideration to be given in future to alcohol being purchased through the bar. **PN**, as Bar Chairman, will be reviewing various anomalies in events in the pavilion.

### **Individual Committee Members' Reports**

**Helen Pryor** reported that:

- the plastic pegs used for golf croquet are not strong enough. Metal pegs through a website sell for £12.50/24 in a range of colours. **AT** to obtain a free sample for consideration.

- she considers it unfair that in the SW Fed a team gains a point for a walk-over which has resulted in a team with 2 walk-overs progressing through to a quarter final. She would like this raised at the SW Fed AGM. The committee agreed. **HP** to progress.

**Marian Harris** reported that:

- the committee lunch has been booked at Dukes for Wednesday 23<sup>rd</sup> September at 12.30.

- 39 badges have been sold

- catering arrangements/charges for the SW Fed 'Federation' league final on 27<sup>th</sup> September were unclear. **MH** to contact David Temple in the first instance.

**Sue Dent** reported that:

- the CA will soon request notification from us of CA tournaments to be hosted by Sidmouth. This often has a quick turnaround time. Where tournaments keep to the same day of the week, the date creeps back by one each year. We need to give consideration as to whether we now want everything to jump forward by one week. The CA tournaments form the basis of our Programme; around them we plan our internal tournaments. **ALL** to give this consideration. **RH** to be alerted to expect to receive this and share it with PN, SD and Julie Horsley.

- a Gold Award from Sidmouth in Bloom has been awarded for the Chairman's Garden. Mike Hide and Rob Matthews are to be congratulated.

### **Dates of the next meetings**

**Donation of a bench**

PN has spoken to Vera Henderson and will progress the matter ready for the 2016 season.

**Golf Croquet Pegs**

The metal samples supplied were considered insufficiently robust. Plastic pegs to continue to be used.

**HP** to provide a list of deceased members.

**PH**, with the association handicap committee, to decide the best HH and LH improvers.

**HP**, with the golf handicap committee, to decide the best improver and give consideration as to whether to make two awards, a HH and LH. If so, a further trophy will be required.

- The Fermor tournament be re-instated following requests to PN.
- The Charity One Ball is recommended by MH to be run from hut 3. Drinks and biscuits to be available. Participants to bring a packed lunch.

PH suggested that lawn 2 to be split as usual for the beginners in April up to the CA Golf tournament; lawn 1 to be split after the CA Golf tournament on 24<sup>th</sup> April for play and practice; Short Croquet tournament to be programmed for Sat 21<sup>st</sup> May. Lawn 1 to revert to a full lawn after that event.
- Block tournaments. Block tournaments previously have runners-up participating in a semi-final; this was considered to be unnecessary where blocks are small. Block winners could progress straight to a final.
- The Dwerryhouse Cup is available for internal tournaments.

### **CA Tournaments 2016**

Following discussion these were agreed as:

Open Golf Championship

Sat 23/Sun 24<sup>th</sup> April

**SD** to send these dates to Julie Horsley and RH in readiness for the CA request.

### **Chairman's Matters**

PN reported that:

- a disabled access to the Pavilion has been agreed following discussion with Neil Gamble and Julie Clayden.

At the GMC meeting it was agreed that:

- the bar area will be floored with washable flooring.

- an external notice board will be supplied for the pavilion so that the windows do not get covered.
- the bar will be open on winter Sundays only on days when lunch is booked.
- Folk week parking raised a net profit of £37,000.
- the Classic Car Day raised £700 in donations. The GMC will in future ask for a guaranteed minimum payment.
- quotes have been requested to raise and/or replace fencing alongside lawn 4 and insert a gate to minimise encroachment by cricket balls. The anticipated expense has resulted in the GMC request that the tank repair issue is deferred.
- a substantial donation has been made by a cricket club member specifically to improve facilities for young members.

### **Individual Committee Members' Reports**

**Pam Bowra** reported that in the Budleigh Friendly, Sidmouth had won back the Seagull.

**Andrew Thomas** reported that there was considerable work to be done over the winter with a bookcase and mallet rack to be made, the mirror to be re-hung and the water filter to be checked.

**Ian Simpson** reported that John Davies had asked, because of being unable to play this season, for a refund of his tournament fees and subscription. The committee agreed to the former. Regarding subscription refund, the croquet section is consistent in not giving refunds

but allowing the payment to be carried forward to the next playing season. **IS** to inform John Davies.

**Sue Dent** reported that:

PH had acted as the club's host for the SW Fed 'Federation' league finals held on 27<sup>th</sup> September. PH reported that Brian Shorney and Roger Hayes had thanked the club for hosting this event which had gone very well. MH provided refreshments and arranged the lunch. PN thanked PH and MH for making the players welcome.

### **AOB**

#### **Pin numbers**

SD commented that new members had not been given pin numbers for electronic lawn booking and may want to book lawns now that the club sessions are over. **SD** to ask CW for pin numbers for specific individuals who require them.

#### **Subscriptions**

PN wants to take a proposal to the next GMC meeting on subscription increases being a uniform amount for all sections. **SD** to agenda for the next meeting.

#### **Dates of the next meetings**

Friday 6<sup>th</sup> November 9.30 am at Redleaf, Knowle Drive

Wednesday 9<sup>th</sup> December (provisional) 9.30 am.

SIDMOUTH CRICKET TENNIS AND CROQUET CLUB  
MINUTES OF CROQUET SECTION AGM

TUESDAY 3<sup>rd</sup> NOVEMBER 2015

The Chairman (Peter Nelson) welcomed more than 50 members to the meeting who then stood in silence to remember two former members Roland Henderson and Maurice Corbett who had died since the last AGM.

**Apologies for absence:** were received from Helen and Graeme Pryor, Ian Friedlander, Sue Rogers, Barbara Hamer, Keith Thorley, Howard and Marjorie Quarrell, Anne Holbeche, John Davies, Sue and Kelvin Dent, Diana East and Colin Walls.

The Chairman updated the meeting on Kelvin Dent's condition following his recent accident and a "get well" card was circulated for members to sign.

**Minutes of 2014 AGM:** were accepted by the meeting as a true record and were duly signed by the Chairman.

**Treasurer's Report:** Ian Simpson reported an increase in subscription revenue (up £700) and in revenue from social events. These increases were to some extent countered by reductions in fees from open tournaments and from visitors.

The expenditure on the extension to Hut 3 was £6,500 but it was emphasised that this would have been much more but for the efforts of Andrew Thomas. The treasurer also emphasised the importance of Folk Week parking revenue and thanked those members who had assisted as stewards.

**Secretary's Report:** was read by the Chairman in Sue Dent's absence. The report noted a welcome increase in membership which now stands at 115. New membership included 16 beginners and three experienced players including two "A" class players.

It was advised that Rob Mitchell was standing down as Membership Secretary and he was thanked for his service to the Club in this role which henceforth will undertaken by David Butler.

**Committee Reports:** were received from:

- **Marian Harris** who reported on social events noting in particular the benefits derived from the enhanced facilities at hut 3. Thanks were also given to the Thurlows who had made the "Wine and Buffet" evening such an enjoyable event.
- **Helen Pryor** whose report was read by the Chairman, advised of some impending changes to internal competitions and asked members to read entry documents carefully next year. Entry for 14 point competitions had been disappointing.
- **Roger Hendy** reported that CA Open Tournaments had been well supported although considerable "marketing" effort had been required to get a good field for the C Level Advanced.
- **Pam Bowra** summarised the Golf Croquet season and exhorted more members to enter competitions and to play for teams.
- **Colin Walls:** whose report was read by a rapidly tiring Chairman, advised some impressive statistics regarding the web site. The on-line booking of lawn 1 had generally proved popular and problems with connectivity had been solved by running a dedicated cable from the tablet to the router. It was anticipated that on-line booking would be extended to lawn 2 next year.

Publicity had generally gone well although the amount of space given in the Sidmouth Herald was somewhat variable.

- **Andrew Thomas:** advised that he would not be spending this winter at hut 3! He noted that lawns 3 and 4 were getting heavier use than lawns 1 and 2 and hoop positions on these would be moved more frequently in future. A rambling monologue about his successful visit to Crete followed.

**Handicap Committee:** Philip Harris and Ian Simpson summarised the major handicap changes achieved this season by Association and Golf players respectively.

**SW Federation:** David Temple thanked managers and captains of the various teams. Results had been modest and details were available for inspection in the mallet room.

**Chairman's Remarks** the Chairman congratulated Andrew Thomas on his international success in becoming the national champion of Greece.

He thanked the committee for their hard work and support which had contributed to an enjoyable season.

Thanks were given to non-committee members Rob Mitchell, retiring as Membership Secretary and to SW Fixtures Secretary David Temple. David will continue in this role for 2016 but has announced of standing down thereafter.

The Chairman then thanked the three retiring committee members Roger Hendy, Helen Pryor and Marian Harris for their work over a number of years. Particular mention was made of Helen's management and encouragement of competitive golf croquet which she is to continue. It was noted that Julie Horsley would take on the role of CA Tournament Secretary but did not wish to join the committee.

In recognition of outstanding work as Social Secretary for the last 4 years Marian Harris was given the 2015 Chairman's Award.

**Election of New Committee:** existing committee members Peter Nelson, Sue Dent, Colin Walls, Pam Bowra, Ian Simpson, David Butler and Andrew Thomas offered themselves for re-election. Julie Sorrell and Philip Harris were candidates to join the committee.

The meeting agreed to vote en-bloc and the motion to elect the committee was proposed by Mike Taylor and seconded by David Clarke. The vote in favour was unanimous and the aforementioned candidates were duly elected.

**Presentation of Prizes:** the Chairman introduced David Temple as Guest of Honour; this being in recognition of his long and outstanding contribution to the Club in many roles.

David presented the prizes, mostly to Andrew Thomas but occasionally to someone else. The Humphrey Hicks was won by David Mundy and the Belmont by Richard Wood. The level golf event was won by Chris Donovan.

Roger Hendy proposed a vote of thanks to David Temple and John Dixon was thanked for his hard work in collecting and arranging for the engraving on the trophies.

**Notices:** Members were advised that tickets were on sale for the Christmas Lunch on 16<sup>th</sup> December. Details of a club event in the pavilion on New Year's Eve were also advised.

**Meeting Closed:** there being no other business and the bar being open the Chairman declared the meeting closed at 7.04 pm.
